

Not Ur Girl

Katharine McPhee

From the first time I saw you
When I thought that we'd be cool
But I overestimated us boy (you boy, you boy)
Cause we started out as friends (friends)
And I thought that'd never end
Even when we turned into more

[Chorus:]

And we moved into the fast lane (fast lane)
Oh we just collided in the fast lane (fast lane)
And even though we tried it
We ain't goin no place
And there's no going back for us now, no way
I think it's time we set things straight
I'm not ur girl (no not ur girl)
Don't get confused because you see me lookin' at you, no baby
I'm not ur girl (no not ur girl)
And I'm not leaving with you just because you asked me to, no no

I know you want me, but it's just too late
Don't try and stop me or get in my way

Don't you look at me like that
It don't matter how you act
You and me are now in the past
And then I see you walkin by
Don't be surprised if I say hi
But it won't be anymore than just that

[Chorus]

Now moving down the fast lane (fast lane)
Oh we just collided in the fast lane (fast lane)
And even though we tried it
We ain't goin no place
And there's no going back for us now, no way
I think it's time we set things straight
I'm not ur girl (no not ur girl)
Don't get confused because you see me lookin' at you, no baby
I'm not ur girl (no not ur girl)
And I'm not leaving with you just because you asked me to, no no
I know you want me, but it's just too late
Don't try and stop me or get in my way
I know you want me, but it's just too late
Don't try and stop me or get in my way

You should have thought about the way that you treated me
You should have thought about the things that you said to me
I shoulda walked away the first time I saw your face
It so distracted me nearly lost it in the fast lane

I'm not ur girl (no not ur girl)
Don't get confused because you see me lookin at you, no baby
I'm not ur girl (no not ur girl)
And I'm not leaving with you just because you asked me to, no no

I know you want me, but it's just too late
Don't try and stop me or get in my way

I know you want me, but it's just too late
Don't try and stop me or get in my way
