# Only One

Katharine McPhee

I remember the moon and the stars in your eyes
I'm dreaming of you and I
One of those reckless nights

I remember the smell of your car
Yeah, we drive full speed
Your lips on mine
Giving me butterflies

How stupid, young, and naive
Thinking these thrills could turn real
I believed
Borrowed time
How could I not see
That although you never leave

That shit don't work for me

No, I won't be your lover after midnight
Waiting for you dusk till dawn
Don't wanna share you
Boy, I double dare you
Tell me I'm the only one

No, I won't run for cover in the moonlight
I don't need a part-time love
Don't wanna share you
No, it's isn't fair
I want it all or I want none

Tell me am I the only one
Who wants to be the only one

I got to be the only one you come for
Tell me, am I the only one

Hanging low in the cold afterglow of goodbye
So cruel, you cut me down
Stole the words out my mouth

Bid adieu
Hope you found love anew
What a lover really can make you see
What your love did to me

Time moved slow
Still I find my peace
Just as your name stopped invading my dreams
There you stood, a ghost on my street
And you said I smell so sweet

Well, you look like shit to me

No, I won't be your lover after midnight
Waiting for you dusk till dawn
Don't wanna share you
Boy, I double dare you

Tell me I'm the only one

No, I won't run for cover in the moonlight
I don't need a part-time love
Don't wanna share you
No, it's isn't fair
I want it all or I want none

Tell me am I the only one
Who wants to be the only one

I got to be the only one you come for
Tell me, am I the only one

Am I the only one (Hey, hey, hey, oh)
Am I the only one (Hey, hey, hey, oh)
Am I the only one (Hey, hey, hey, oh)
Am I the only one (Hey, hey, hey, oh)

That shit don't work for me

No, I won't be your lover after midnight
Waiting for you dusk till dawn
Don't wanna share you
Boy, I double dare you
Tell me I'm the only one

No, I won't run for cover in the moonlight
I don't need a part-time love
Don't wanna share you
No, it's isn't fair
I want it all or I want none

Tell me am I the only one
Who wants to be the only one

I got to be the only one you come for
Tell me, am I the only one
