

# Surrender

Katharine McPhee

My pose goes to a moon  
When I know you're here  
My heart runs to another room  
When I know you're near

And they say that you don't know  
What you got till its gone  
So I'm holding onto you  
How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
And how many days till I love me the way that you loved me  
You love me

You say I'm beautiful  
But I just don't see  
You say one day I'll learn  
When will that day be

And they say that you don't know  
What you got till its gone  
So I'm holding onto you

How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
And how many days till I love me the way that you loved me  
You love me

Love this life  
That I see  
That I laid out for me  
Well it seems incomplete  
Will I ever see me  
The way I see me out to be your eyes  
Out to be your eyes

And how many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
And how many days till I love me the way that you loved me  
You love me  
You love me  
You love me
