

## Abigail's Song

Katherine Jenkins

When you're alone, silence is all you see.  
When you're alone, silence is all you'll be.  
Give me your hand and come to me.

When you are here, music is all around.  
When you are near, music is all around.  
Open your eyes, don't make a sound.

Let in the shadow, let in the shadow,  
Let in the light of your bright shadow.

Let in the shadow, let in the shadow.  
Let in the light of your bright shadow.
