

## Break It to My Heart

Katherine Jenkins

If it's OK, I'll leave the bed-light on  
And place your water glass where it belongs  
And if it's alright, I'll lie awake at night  
Pretending I am curled up at your side  
See I'm circling in these patterns  
Living out of memories  
I'm still a long way from accepting it  
That there's just no you and me

But if I still believe you love me  
Maybe I'll survive  
So I tell myself you're coming home  
Like you've done a million times  
And if it's alright, I'll still be loving you  
Cause I can't break it to my heart

Is it just me, did I commit a crime?  
I won't believe that loving you is just a waste of time  
Was it in my head  
Reading into things you never said  
Cause I still don't have the answers  
To why we couldn't work it out  
I wanna think it's something that I did  
So I can turn it back around

But if I still believe you love me  
Maybe I'll survive  
So I tell myself you're coming home  
Like you've done a million times  
And if it's alright, I'll still be loving you  
Cause I can't break it to my heart

I wanna convince myself, we're perfect in every single way  
As long as I can keep the truth away from my heart  
Ooh, cause I can't break it to my heart  
Oooohhh  
Cause I still don't have the answers  
To why we couldn't work it out  
I wanna think it's something that I did  
So I can turn it back around

But if I still believe you love me  
Maybe I'll survive  
So I tell myself you're coming home  
Like you've done a million times  
And if it's alright, I'll still be loving you  
And if it's alright, I'll still be loving you  
Cause I can't break it to my heart  
I can't break it to my heart
