# Can't Slow Down

**Katherine Jenkins**

You living inside of me
So much I can barely breath, no I can't catch my breath
And I'm hanging on every word
Holding on to you until there's nothing left

Baby, baby, where do you go
When you're lonely in the night?
Baby, baby, you can come
And lay down by my side

I'll do anything, give everything
Just to see you smile
Oh and I, I can't let you go, don't you know
I wanna pull you closer to my heart
Every time you come around? And I can't slow down

Something, something I can't explain
One look and I knew I'd never be the same

Baby, baby, turn to me
When you're lonely in the night
Baby, baby, stay with me
And I'll make it

I'll do anything, give everything
Just to see you smile
Oh and I can't let you go, don't you know
I wanna pull you closer to my heart
Every time you come around? And I can't slow down

Every time I look at you
My world spins around so fast
Baby, take my hand
And never ever look back

I'll do anything, give everything
Just to see you smile
Oh and I can't let you go, don't you know
I wanna pull you closer to my heart
Every time you come around

Oh and I can't let you go, don't you know
I wanna pull you closer to my heart
Every time you come around? And I can't slow down

You living inside of me
So much I can barely breath, no I can't catch my breath
