

## Love Divine (Hyfrydol)

Katherine Jenkins

Love divine, oh, love excelling  
Joy of heaven to earth comin' down  
Fixed in us Thy humble dwelling  
All of Thy faithful mercy's crown

Jesus, Thou art all compassion  
Pure and bounded love Thou art  
Visit us with Thy salvation  
Enter every trembling heart

Come Almighty, true deliver  
Made us all and Thy life receive  
Suddenly return and never  
Never more Thy temples leave

Thee we would be always blessing  
Serve Thee as Thy hosts above  
Pray and praise Thee without ceasing  
Glory in every perfect love

Finish then my new creation  
Pure and spotless let us be  
Let us see Thy great salvation  
Perfectly restored in Thee

Sheets of glory into glory, 'til in heaven we take a place  
'Til we cast our crumbs before Thee, lost in wonder, love and p  
raise  
'Til we cast our crumbs before Thee  
Lost in wonder, love and praise
