

Over The Rainbow

Katherine Jenkins

When all the world is a hopeless jumble,
And the raindrops tumble all around,
Heaven opens a magic lane.

When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your window pane
To a place behind the sun
Just a step beyond the rain

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow,
Skies are blue.
And the dreams that you dare to dream
Really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then oh why can't I

If happy little bluebirds fly
Beyond the rainbow
Why, oh, why can't I
