

Who Wants to Live Forever

Katherine Jenkins

Theres no time for us
Theres no place for us
What is this thing that builds our dreams yet slips away
From us

Who wants to live forever
Who wants to live forever...?

Theres no chance for us
Its all decided for us
This world has only one sweet moment set aside for us

Who wants to live forever
Who wants to live forever...?

Who dares to love forever?

When love must die

But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today
Who wants to live forever
Who wants to live forever?
Forever is our today

Who waits forever anyway?
