

## How Can We Hang On To A Dream

Kathryn Williams

What can I say, he's walking away  
From what we've seen  
What can I do, still loving you  
It's all a dream

How can we hang on to a dream  
How can it ever be the way it seems

What can I do, he's saying we're through  
With how it was  
What will I try, I still don't see why  
He says what he does

How can we hang on to a dream  
How can it ever be the way it seems

What can I say, she's walking away  
From what we've seen  
What can I do, still loving you  
It's all a dream

How can we hang on to a dream  
How can it ever be the way it seems  
How can we hang on to a dream

What can I say, she's walking away  
From what we've seen  
What can I do, still loving you  
It's all a dream

How can we hang on to a dream  
How can it will it be the way it seems  
How can we hang on to a dream
