I Started a Joke

Kathryn Williams

I started a joke which started the whole world crying
But I didn't see that the joke was on me, oh no
I started to cry which started the whole world laughing
Oh If I'd only seen that the joke was on me

I looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said
Till I finally died which started the whole world living
Oh If I'd only seen that the joke was on me

I looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said
Till I finally died which started the whole world living
Oh If I'd only seen that the joke was on me, oh no

Till I finally died
