

Spit On A Stranger

Kathryn Williams

However you feel, whatever it takes
Whenever it's real, whatever awaits
Whatever you need, however so slight
Whenever it's real, whenever it's right

I'll be thinking long and hard
About the things you said to me
Like a bitter stranger
Now I see the long and short
And never ever what's in between

I could spit on a stranger
You're a bitter stranger

Whatever you feel, whatever it takes
Whenever it's real, whatever awaits me
Whatever you need, however so slight
Wherever it leads, whenever it's right

Honey, I'm a prize and you're a catch
And we're a perfect match
Like two bitter strangers
And now I see the long and short of it
And I could make it last

I could spit on a stranger
You're a bitter stranger
Well, I could spit on a stranger
You're a bitter stranger

I see the sunshine in your eyes
I'll try the things you'll never try
I'll be the one that leaves you high
