

## Circle Song

Kathy Mar

We all come from the Goddess  
And to her we shall return  
Like a drop of rain  
Flowing to the ocean... (Z. Budapest)

Music is a circle  
Watch it come around  
Listen to the sound  
It is calling you

Air I am, Fire I am,  
Water, Earth and Spirit I am... (Andras Corban Arthen)

Hoof and horn, hoof and horn  
All that dies shall be reborn  
Corn and grain, corn and grain -- Original: "Vine and grain"  
All that falls shall rise again... (Ian Corrigan)

Magic is a circle  
Dance within it's flame  
Learn your secret name  
Call a song to you

We are the flow and we are the ebb  
We are the weavers, we are the web... (Shekinah Mountainwater)

We are a circle within a circle  
With no beginning and never ending... (Rick Hamouris)

Loving is a circle  
Learn it's magic song  
Sing your whole life long  
Love will come to you
