

Mother Ocean

Kathy Mar

Salt freezes in my hair
Sand gliding on the breeze
Life answering my dare
Mother Ocean oh Mother Ocean
Sweet Mother Ocean I am on my knees

Sea water in my blood
Tide swelling in my soul
Tears drowning in the flood
Mother Ocean oh Mother Ocean
Sweet Mother Ocean come and make me whole

Oh how she rocks me, rocks me
Deeper than the Marianas
Deeper than my core
Mother give me more (2x)

Wild phantoms on the foam
Free feeling on my face
Sweet Mother calls me home
Mother Ocean oh Mother Ocean
Sweet Mother Ocean grant me joy and grace
