

## Song For The Life

Kathy Mattea

I don't drink as much as I used to  
Lately it just ain't my style  
And the hard times don't hurt like they used to  
They pass quicker like when I was a child  
Somehow I learned how to listen  
To a sound like the sun goin' down  
In the magic that morning is bringin'  
There's a song for the life I have found  
It keeps my feet on the ground  
The midsummer days ain't so heavy  
They just flow like the breeze through your mind  
And nothing appears in a hurry  
To make up for some old lost time  
Somehow I learned how to listen  
To a sound like the sun goin' down  
In the magic that morning is bringin'  
There's a song for the life I have found  
It keeps my feet on the ground  
Somehow I learned how to listen  
To a sound like the sun goin' down  
In the magic that morning is bringin'  
There's a song for the life I have found  
It keeps my feet on the ground
