

# Help Me God

Kathy Troccoli

Help me, God I'm scared  
And I'm unprepared to face the night alone  
Hear me, hear my prayer  
My soul, it aches and I've nowhere to go  
Help me, God

In this dark hour, I know only the power  
That made the stars can mend my heart  
Oh, I've tried on my own but I'm not that strong  
You're all I've got, You're all I've got, help me, God

Sometimes, people leave  
And I can grieve 'cause life's not always fair  
Help me to hold on  
Though I can't see You, I believe You're there  
I know You're there

In this dark hour, I know only the power  
That made the stars can mend my heart  
Oh, I've tried on my own but I'm not that strong  
You're all I've got, You're all I've got, help me, God

Oh, I've tried on my own but I'm not that strong  
You're all I've got, You're all I've got, help me, God
