

Help Me God

Kathy Troccoli

Help me, God I'm scared
And I'm unprepared to face the night alone
Hear me, hear my prayer
My soul, it aches and I've nowhere to go
Help me, God

In this dark hour, I know only the power
That made the stars can mend my heart
Oh, I've tried on my own but I'm not that strong
You're all I've got, You're all I've got, help me, God

Sometimes, people leave
And I can grieve 'cause life's not always fair
Help me to hold on
Though I can't see You, I believe You're there
I know You're there

In this dark hour, I know only the power
That made the stars can mend my heart
Oh, I've tried on my own but I'm not that strong
You're all I've got, You're all I've got, help me, God

Oh, I've tried on my own but I'm not that strong
You're all I've got, You're all I've got, help me, God
