

# How Would I Know

Kathy Troccoli

Words and Music by Jackie Gouch?erris and Andrew Gouch?f it was  
n't for the times that I was down  
If it wasn't for the times that I was bound  
For all the times that I wondered  
How I would ever make it through  
All the times that I couldn't see my way  
And I had to turn to You

How would I know You could deliver  
How would I know You could set free  
If there had never been a battle  
How would I know the victory  
How would I know You could be faithful  
To meet all of my needs  
Lord I appreciate the hard times  
Otherwise how would I know  
I remember all the times I had to cry  
And at the time all I could do was wonder why  
Why would a God so kind and loving  
Allow me to go through all this pain  
If I could see into the future  
Then I would know the joy I'd gain  
Repeat chorus

How would I know that you could make a way out of no way  
How would I know if I never had a need  
Brother I know what you're goin' through  
Sister I know cause I've been in your shoes  
But I can truly say that I know what God can do
