

# I'm Gonna Fight For You

Kathy Troccoli

You are not alone, He is here  
You know you're dear to His heart  
I wouldn't lie to you, oh He'll come  
He has known the pain you're going through  
And faithful is the Lord  
In the darkest hours of night  
To keep the flame of hope alive

I'm, I'm gonna fight for you  
Lay down my life for you  
Cause His love it never dies  
I'll get down on my knees for you  
I will believe for you  
Oh I'm right by your side  
I'm gonna fight for you

(Gonna fight for you)

He has said His ways are not our ways  
And His thoughts are not our own  
He's more than just a man, oh He's God  
Let Him hold the things you cannot understand  
'Cause faithful is the Lord  
In the darkest hours of night  
To keep the flame of hope alive

I'm, I'm gonna fight for you  
Lay down my life for you  
'Cause His love it never dies  
And I'll get down on my knees for you  
I will believe for you  
Oh I'm right by your side  
I'm gonna fight for you

No one can ever heal your soul  
Like the One who'll never let you go, Nooooo

I'm, I'm gonna fight for you  
Lay down my life  
Cause His love, it never dies  
I'll get down on my knees  
I will believe for you  
Oh I'm right by your side  
I'm gonna fight for you

(Gonna fight for you)

I'm gonna fight for you
