

Cry, Cry, Cry

Katie Armiger

Don't come on over tonight
It'll end in the same fight
That we always lose
Don't bother to pick up your phone
Cause I won't be home
Any time you do
Saying goodbye is such a simple thing
But it breaks my heart every time I hit that off footing

So just go on home, I don't want you around no more
I wish you'd cry, cry, cry for me
So just go on home, I'm better off being alone
Just try try try forgetting me
Forgetting me

It won't matter how many times
You beg and plead then lie
So get off your knees
I don't care if you want me or not
Cause either way I'm done
I'm through with you
Leaving you is the hardest
But being with you is like trying to see in the dark

Just go on home, I don't want you around no more
I wish you'd cry, cry, cry for me
So just go on home, I'm better off being alone
Just try try try forgetting me
Forgetting me

It's gonna be hard to give you off
But sometimes love is just not enough

Just go on home, I don't want you around no more
I wish you'd cry, cry, cry for me
So just go on home, I'm better off being alone
Just try try try forgetting me

So just go on home, I don't want you around no more
I wish you'd cried, cried, cried for me
So just go on home, I'm better off being alone
Just try try try forgetting me
Forgetting me
Forgetting me
