

# Let Him Go

Katie Armiger

The invitation came yesterday  
It took my breath away  
All the memories came racing back  
An endless attack  
Friends forever he and I  
But I held a secret  
Hidden deep inside

And I've been holdin' on  
To a love that never was  
How can I mourn a dream  
That didn't happen between us  
And I'm the only one that knows  
I've got to let him go

I never told him how I felt  
I kept my feelings to myself  
I was so afraid of what he'd say  
I kept the truth locked away  
But when I look into his eyes  
I can't help but feeling  
I'm losing him this time

And I've been holdin' on  
To a love that never was  
How can I mourn a dream  
That didn't happen between us  
And I'm the only one that knows  
I've got to let him go

The preacher speaks now or forever  
Our last chance to be together

And I'll let go  
Of a love that never was  
How can I mourn a dream  
That didn't happen between us  
And I'm the only one that knows  
I've got to let him go
