## **Make Me Believe**

**Katie Armiger** 

I sit alone on the edge of my bed Think of you and the words you said Keep runnin' through my head Do you want to leave Or do you want to stay Cause I can still walk away

'Cause I'm down on my knees Don't you feel anything 'Cause I'm tired of tryin' to be Everything that you can't see Make me believe Make me believe

You said I could never love you I'm not strong enough but you Can't keep runnin' from the truth In the end its always you It's always you

'Cause I'm down on my knees Don't you feel anything 'Cause I'm tired of tryin to be Everything that you can't see Make me believe Make me believe

Letting go shouldn't be so hard But loving you tore me apart

'Cause I'm down on my knees And I can't feel anything And I'm tired of tryin' to be Everything that you don't see I need to believe I need to believe

Why can't you ever see Everything you do to me Because we were never meant to be I believe that you should just leave

Just leave
