Safe

Katie Armiger

00000 I wasn't lookin' for love It didn't really fit inside of my world but One look in your eyes, And I completely changed my mind 0000 I wasn't lookin' for you But you found me just like you were made to And it's crazy know to think about how we almost live without .. . each other I, I, Love spendin' all my time Lying right here by my side A place where I can always stay, cause you You make me feel safe You make me feel safe I didn't want to jump the gun And be the one to say I love you so soon But when I look at you, the truth is, Baby now I do I do I, I, Love spendin' all my time Lying right here by your side A place that I can always stay, cause you You make me feel safe You make me feel safe A place that, a place that I belong Wrapped here inside your arms No fear no harm to my heart 0000 I, I, Love spendin' all my time Lying right here by your side A place that I can always stay Oh baby say you'll always stay Cause you, you make me feel safe You make me feel safe 00000 00000
