

Something Better

Katie Armiger

Have you ever been in a dream
And you just didn't wanna wake up?
You saw a brand new paradise
Or were about to fall in love.
Everything was in color,
With no shades of grey,
No black or white.
Everything was alright.

There's always something better on the other side
Of those fields of gold and daffodils and a bluer sky.
I can see it sometimes,
Then I go back to my life.

Have you ever been in a car,
Stopped at a red light?
See the man of your dreams
And it was love at first sight.
He smiles at you and you smile back,
And it's a beautiful thing.
You think that he could be the one,
Then the light turns green.

There's always something better on the other side
Of those fields of gold and daffodils and a bluer sky.
I can see it sometimes.

Close your eyes,
What do you see?
Just believe
And there will always be..

Something better on the other side.
Of those fields of gold and daffodils and a bluer sky.
I can see it sometimes
Oh, I can see it sometimes
Then I go back to my life.
