

Stranger

Katie Costello

Stranger I've known you for so long
I found you lost with a compass in the fog
Stranger you know me too much
Illusionary-self had not be touched, until you

Humming Hallelujah in the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall

Hallelujah, hallelujah

Stranger you've followed me so far
Until the roads converged, as did the stars
Stranger the moon looks blue tonight
Your photo framed, raw within my mind, but not tonight

Humming Hallelujah in the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall

Hallelujah, hallelujah, hallelujah, hallelujah

Humming Hallelujah in the dark
Whispered poems leave you to be
Humming Hallelujah in the night
The sun might rise, as sometimes does it fall

Hallelujah
