Stranger

Katie Costello

Stranger I've known you for so long I found you lost with a compass in the fog Stranger you know me too much Illusionary-self had not be touched, until you

Humming Hallelujah in the dark Whispered poems leave you to be Humming Hallelujah in the night The sun might rise, as sometimes does it fall

Hallelujah, hallelujah

Stranger you've followed me so far Until the roads converged, as did the stars Stranger the moon looks blue tonight Your photo framed, raw within my mind, but not tonight

Humming Hallelujah in the dark Whispered poems leave you to be Humming Hallelujah in the night The sun might rise, as sometimes does it fall

Hallelujah, hallelujah, hallelujah, hallelujah

Humming Hallelujah in the dark Whispered poems leave you to be Humming Hallelujah in the night The sun might rise, as sometimes does it fall

Hallelujah
