

Forevermore

Katie Herzig

You could be my white night
And I could be your fairy tale
And you could come and save me
But that is not the end

I will wear a white dress
You will paint a sunset
Life will be a love fest
That's how it all begins

Say say, oh playmate
Come out and play with me
And bring your dollies three
Climb up my apple tree
Slide down my rainbow
Into my cellar door
And we'll be jolly friends
Forever more

But the world can spin so madly
And love can hurt so badly
And stories end so sadly
But this is not the end

You still have my heartache
I still have your sweater
Things they will get better
Oh, but not today

Say say oh playmate
I cannot play with you
My dolly's got the flue
Boo hoo hoo hoo hoo hoo
Ain't got no rainbow
Ain't got no cellar door
But we'll be jolly friends
Forever more

Say say, oh playmate
Come out and play with me
And bring your dollies three
Climb up my apple tree
Slide down my rainbow
Into my cellar door
And we'll be jolly friends
Forever more
