

# Holding You

Katie Herzig

Find me when you want to go  
Or when you want to stay  
Or find me either way I'm there  
Hardly need to entertain a  
Second thought 'cause where you are  
Is right where I belong

Hold my hand and let my thoughts run through  
Hold my hand because it's holding you  
Found it living in a moment

Sealed in a whisper it's the way you care for me  
Call it what you want to call it  
Any way you frame it you're the only one I see

Hold me close until the sun goes down  
Hold me close until it comes around again

The walls could fall around us no matter where we hide  
Whichever world surrounds us  
This ones yours and mine

Hold my hand and let my thoughts run through  
Hold my hand and let my thoughts run through you  
Hold my hand and let my thoughts run through  
Hold my hand because it's holding you
