

No Fear of Heights

Katie Melua

I never walked near the edge
Used to fear falling
I never swam far from shore
Never tried the secret door

But when you give me love
When you give me love

I have no fear of heights,
No fear of the deep blue sea,
Although it could drown me,
I know it could drown me

I didn't wander in the woods
Used to fear the darkness
I didn't like getting deep
I was scared of what I couldn't keep

But when you give me love
When you give me love

I have no fear of heights,
No fear of the deep blue sea,
Although it could drown me,
I know it could drown me

No fear of the fall
No fear if it's with you that I fall
'cause nothing could break us,
No, nothing could break us, now
