

## Scary Films

Katie Melua

Scary films don't scare me  
Now that you're around  
Since you've been around

Nowadays I never cry  
When the monster kills the guy  
And the psychopathic wife  
Kills the husband with a knife

Hey baby, thanks for clearing my dreams  
Of all those horror scenes  
Which crept in uninvited  
I'm in love and I'm so excited  
Hey baby, thanks for clearing my dreams

Scary films just make me smile  
When you are here  
When you are here

In your arms I'm not afraid  
When the aliens invade  
And the vampire's just a joke  
'Cause I know he's just a bloke

Hey baby, thanks for clearing my dreams  
Of all those horror scenes  
Which crept in uninvited  
I'm in love and I'm so excited  
Hey baby, thanks for clearing my dreams

Zombies marching through the mist  
Make me think of being kissed  
And I don't care when peoples' heads  
End up being torn to shreds

Hey baby, thanks for clearing my dreams  
Of all those horror scenes  
Which crept in uninvited  
I'm in love and I'm so excited  
Hey baby, thanks for clearing my dreams  
Thanks for clearing my dreams
