Scary Films

Katie Melua

Scary films don't scare me Now that you're around Since you've been around

Nowadays I never cry When the monster kills the guy And the psychopathic wife Kills the husband with a knife

Hey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
I'm in love and I'm so excited
Hey baby, thanks for clearing my dreams

Scary films just make me smile When you are here When you are here

In your arms I'm not afraid When the aliens invade And the vampire's just a joke 'Cause I know he's just a bloke

Hey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
I'm in love and I'm so excited
Hey baby, thanks for clearing my dreams

Zombies marching through the mist
Make me think of being kissed
And I don't care when peoples? heads
End up being torn to shreds

Hey baby, thanks for clearing my dreams Of all those horror scenes
Which crept in uninvited
I'm in love and I'm so excited
Hey baby, thanks for clearing my dreams
Thanks for clearing my dreams
