

## What I Miss About You

Katie Melua

Missing the train every morning at 8:52  
Sipping coffee from the same cup as you  
The sharing of secrets we thought no one else knew  
That's what I miss about you

The new way that love had made me see  
Your bashful grin when you asked if I would like your  
key  
The knowing way you used to caress me  
That's what I miss about you

You stole in with your starry smile, exciting me  
Driving with you in your new car, feeling free  
And if it's true that love is blind, then I was blind  
willingly  
You made me feel we had a future that could be and  
would be

The way you said I'd be no one on my own  
Your way of soaking yourself in over-priced cologne  
The way you turned the light out when I knew you were  
home  
That's what I don't miss about you

I bet you're using your weary magic, like it's new  
Driving so fast with a new fool, beside you  
Presumably believing she's the last of the lucky few  
I wonder if she knows she's being lied to like I do

The way I only doubted myself when I was with you  
Like I was wrong for expecting something from life too  
Your skill of putting me down in front of everyone we  
knew  
That's what I don't miss about you
