

# Delirium

Katra

Seeking for my truth  
Where's the ending where I'm going to?  
Am I on my way?  
Should I care?

Do I have to face  
I am losing my path and trace  
All I know for sure  
Can't get through

Delirium  
I close my eyes  
I'm lost inside

Delirium  
No life line  
I've lost my mind  
Inside

Riding for a fall  
Cannot see, if there's a wall  
Blinded by the ride  
No clear sight

Do I have to face  
I am lying my life to waste  
All I know for sure  
I can't get through

Delirium  
I close my eyes  
I'm lost inside

Delirium  
No life line  
I've lost my mind  
Inside
