

Red Wine And Whiskey

Katrina and the Waves

Love, shine a light in every corner of my heart
Let the love light carry, let the love light carry
Light up the magic in every little part
Let our love shine a light in every corner of our hearts

Love, shine a light in every corner of my dream
Let the love light carry, let the love light carry
Like the mighty river flowing from the stream
Let our love shine a light in every corner of our dreams

And we are all gonna shine a light together
All shine a light to light the way
Brothers and sisters in every little part
Let our love shine a light in every corner of our hearts

Love, shine a light in every corner of the world
Let the love light carry, let the love light carry
Light up the magic for every boy and girl
Let our love shine a light in every corner of the world

And we are all gonna shine a light together
All shine a light to light the way
Brothers and sisters in every little part
Let our love shine a light in every corner of our hearts
