

That's The Way

Katrina and the Waves

Slow your lovin' up
Slow your lovin' down
Love gaining not losin' ground
No worry
No hurry
Take your sweet time
Baby.
Dabble dally
Shilly shally
Slow down this ain't a race car rally
Bit by bit
Inch by inch
Cool your heels
We're hangin' fire
That's the way
That's the way
That's our love in slow motion
That's the way
Like the way
That's our love in slow motion
Strolling when we walk
Whisper when we talk
Grass growing right up under our feet
Oh stay
Lover
Delay
Lover
Take a little more time with me
That's the way
That's the way
That's our love in slow motion

Slow down greased lightning
Make love
Gentle not frightening
Deep down devotion
That's our love in slow motion
Lighten up and lay your rocket down
Little by little
Not in leaps and bounds
Ride at anchor restin' on your oars
A little laissez-fair
Honey
More
More
More
More!
That's the way
That's the way
That's our love in slow motion
