

Count On Me

Katrina Carlson

Y' gotta count on being loved
Y' gotta count on God above
Y' gotta count on fallin' down
N' gettin' right back up
Y' gotta count on paying dues
Getting' used and when you do
Y' gotta know that you're strong enough to pull through
It may be a stormy day
It may be a rainy gray
It maybe a waste the dreams that we chase
Still we'll be OK

You can Count On Me
To be there when you fall
I'll put you on my shoulders
Body, soul and all
I'll give you what you need
Nothing but the best
Because I've been blessed by your sweet love

Y' gotta count on air to breathe
On birds singing in the trees
That tragedies and falling leaves are meant to be
Y' gotta count on solid ground
That what goes up will soon come down
And when your feeling lost
Y' gotta believe you'll be found
Crying a single note
Drying inside your throat
Feeling so cold and out of control
All you need to know

You can Count On Me
To be there when you fall
I'll put you on my shoulders
Body, soul and all
I'll give you what you need
Nothing but the best
Because I've been blessed
You can Count On Me
I'll never let you down
I'll lift your spirit right up off the ground
I need you to believe
I want the best for you
That's what I'll do

When I couldn't face another day
You lifted my heart
You carried the weight
You are the reason I can say

Y' gotta count on being loved
Y' gotta count on God above
Y' gotta count on fallin' down
N' gettin' right back up
Y' gotta count on being free
Standin' up for what you believe

Falling back down on your knees to find some peace
Feeling you lost your faith
Feeling you can't relate
Don't be afraid, it's never too late
There's always a new day

You can Count On Me
To be there when you fall
I'll put you on my shoulders
Body, soul and all
I'll give you what you need
Nothing but the best
Because I've been blessed
You can Count On Me
I'll never let you down
I'll lift your spirit right up off the ground
I need you to believe
I want the best for you
Anything I can
That's what I'll do
