

That's My Man

Katrina Elam

Black leather boots
Deep sea green eyes
A miracle in blue jeans
[?]
What did I do
How did I find
How did such a good love thing
walk into my life

[Chorus:]
Oh that's my man
He loves everything I am
That's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my man

Oh
I can't get no sleep
But that's alright
A magic in his fingers
Filling up my nights
Get a little bit weak
When he holds me tight
Taking me to heaven
He's my magic carpet ride

[Chorus:]
Oh that's my man
He loves everything I am
Oh that's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my man

There's something sensual about him
What would I ever do without him
Oh

[Chorus:]
That's my man
He loves everything I am
Oh that's my man
Yeah
Honeysuckle kisses
So delicious
Honey, that's my

Honeysuckle kisses
My three wishes
Honey, that's my

Honeysuckle kisses
So delicious
Honey, that's my man

Oh
Sweetest honey, that's my man
