

# That's My Man

Katrina Elam

Black leather boots  
Deep sea green eyes  
A miracle in blue jeans  
[?]  
What did I do  
How did I find  
How did such a good love thing  
walk into my life

[Chorus:]  
Oh that's my man  
He loves everything I am  
That's my man  
Yeah  
Honeysuckle kisses  
So delicious  
Honey, that's my man

Oh  
I can't get no sleep  
But that's alright  
A magic in his fingers  
Filling up my nights  
Get a little bit weak  
When he holds me tight  
Taking me to heaven  
He's my magic carpet ride

[Chorus:]  
Oh that's my man  
He loves everything I am  
Oh that's my man  
Yeah  
Honeysuckle kisses  
So delicious  
Honey, that's my man

There's something sensual about him  
What would I ever do without him  
Oh

[Chorus:]  
That's my man  
He loves everything I am  
Oh that's my man  
Yeah  
Honeysuckle kisses  
So delicious  
Honey, that's my

Honeysuckle kisses  
My three wishes  
Honey, that's my

Honeysuckle kisses  
So delicious  
Honey, that's my man

Oh  
Sweetest honey, that's my man
