

Would You Love Me Anyway

Katrina Elam

If I am just a girl, would you love me
Just one against the world, would you love me
If I can't be like everybody else, so I walk away
From a dream I never even wanted for myself
Would you love me anyway

If I'm not strong enough, would you love me
If I need you too much, would you love me
If I run to you when I wanna cry, when I'm gonna break
And you can't understand why, would you love me anyway
Would you love me anyway

Baby I need to hear you say, that you know me
You really know me and you love me anyway

If I want to fly, would you love me
Hold me while I try, because you love me
If I wish to live among the stars
Where I can touch God's face
Would you let me go that far, and love me anyway
Would you love me anyway

Will you love me anyway
Baby I need to hear you say, that you know me
You really know me and you love me anyway
Anyway
Anyway
Baby I need to hear you say that you love me anyway
