

## Would You Love Me Anyway

Katrina Elam

If I am just a girl, would you love me  
Just one against the world, would you love me  
If I can't be like everybody else, so I walk away  
From a dream I never even wanted for myself  
Would you love me anyway

If I'm not strong enough, would you love me  
If I need you too much, would you love me  
If I run to you when I wanna cry, when I'm gonna break  
And you can't understand why, would you love me anyway  
Would you love me anyway

Baby I need to hear you say, that you know me  
You really know me and you love me anyway

If I want to fly, would you love me  
Hold me while I try, because you love me  
If I wish to live among the stars  
Where I can touch God's face  
Would you let me go that far, and love me anyway  
Would you love me anyway

Will you love me anyway  
Baby I need to hear you say, that you know me  
You really know me and you love me anyway  
Anyway  
Anyway  
Baby I need to hear you say that you love me anyway
