

# Lights On

Katy B

I keep on moving with the lights on,

I keep on moving with the lights on  
(with the lights on)  
So come and play me just one more song  
I keep on moving with the lights on  
(with the lights on)  
So you can't scare me with the lights on

Step in'a the club and them come a turn and them a watch me  
Step on to the floor man then a come a watch me and a clock me  
Bass come like a trigger and the DJ come and shot me  
Riddim take control and nothing can stop me vibes them got me  
Because take a glass of water now  
Dance is getting hotter now  
Drowning in the heat and I don't wanna leave  
Rude girl you know we look hot  
From we tick the time, we drip drop  
Caught up in the night and we ain't ready to go home

Said I will keep on going until they say so  
And even when they do it's so hard for me to go  
Some others are in the clock room  
Some others are at the door  
We can keep on going in the middle of the floor

2x  
I keep on moving with the lights on  
(with the lights on)  
So come and play me just one more song  
I keep on moving with the lights on  
(with the lights on)  
So you can't scare me with the lights on

Now you can watch me if you like it  
Cause I really don't care  
I'll be the same if there was only me  
Inside of here  
Cause this is where I'm meant to be

I ain't going nowhere  
You're gonna have to move me if you want me outaa here

I will keep on going until they say so  
And even when they do it's so hard for me to go  
While some others at the cloak room  
Some others out the door  
We can keep on going in the middle of the floor

2x  
I keep on moving with the lights on  
(with the lights on)  
So come and play me just one more song  
I keep on moving with the lights on  
(with the lights on)  
So you can't scare me with the lights on

Just one more please play come gimme  
Mr Sound Boy me not done, you no see me  
Free in the heat and the beat till i sleep  
Lord a'mercy how the vibes so sweet  
Bad girl stamina cant done, lights on.  
Still dip and go down  
Tick it and a tock and a dip it and a drop it  
And a rock it my selector don't stop it

I keep on moving with the lights on  
(I keep on moving with the lights on)  
So come and play me just one more song  
I keep on moving with the lights on  
(with the lights on)  
So you can't scare me with the lights on

Play me one more song  
With the lights on  
Lights on  
I keep on moving with the lights on  
Come and play me one more song
