

# Who Am I

Katy B

I got this pain and I don't know what to do with it  
I got this pain, but I just can't go through with it  
I can't let go, so you just take the best of me  
I can't let go, cause I don't know who else to be

Who am I if I ain't loving you?  
Tell me  
Who am I if I ain't loving you?  
Baby  
Who am I if you're not loving me?  
Tell me  
Cause you and me, that's my identity

I feel so cold  
Cause I know that you be lovin' somebody new, babe  
Well that's the word around town  
I feel so cold  
And I don't even know what I'm supposed to do now  
Thought you were holding me down  
You don't care  
Cause I see the look in your eyes, baby  
Actions speakin' louder than words lately  
You don't care  
Something's telling me that I should still be fighting for you

Who am I if I ain't loving you?  
Tell me  
Who am I if I ain't loving you?  
Baby  
Who am I if you're not loving me?  
Tell me  
Cause you and me, that's my identity

Take me back  
To the day your heart belongs to me  
Take me back  
Only your touch, boy, can set me free  
There's no test  
He can't love you like I do  
There's no test  
Cause all of me, I gave to you, you

Who am I if I ain't loving you?  
Tell me  
Who am I if I ain't loving you?  
Baby  
Who am I if you're not loving me?  
Tell me  
Cause you and me, that's my identity

I don't know who I am if I ain't in your arms, baby  
I don't know, I don't know  
I don't know who I am if I ain't in your arms, baby  
I don't know, I don't know

Who am I if I ain't loving you?  
Tell me

Who am I if I ain't loving you?  
Baby  
Who am I if you're not loving me  
Tell me  
Cause you and me, that's my identity
