

# Birthday

Katy Perry

I hurt your feeling, nothing's going bright  
Why don't you let me stop the vibe  
The clock is ticking, running out of time  
So we should party, all night  
So cover your eyes, I have a surprise  
I hope you got a healthy appetite

If you wanna dance, if you want it all  
You know that I'm the girl that you should call

But when you're with me  
I'll give you a taste  
Make it like your birthday everyday  
I know you like it sweet  
So you can have your cake  
Give you something good to celebrate

So make a wish  
I'll make it like your birthday everyday  
I'll be your gift  
Give you something good to celebrate

Pop your confetti  
We can get it on  
So hot and heavy  
Till dawn  
I got you spinning  
Like a disco ball  
I'll have them playing  
Your song

We're living the life  
We're doing it right  
You're never gonna be unsatisfied  
If you wanna dance  
If you want it all  
You know I'm the girl that you should call

But when you're with me  
I'll give you a taste  
Make it like your birthday everyday  
I know you like it sweet  
So you can have your cake  
Give you something good to celebrate

So make a wish  
I'll make it like your birthday everyday  
I'll be your gift  
Give you something good to celebrate

Happy birthday

So let me get you in your birthday suit  
It's time to bring out the big balloons  
So let me get you in your birthday suit  
It's time to bring out the big, big, big, big balloons

But when you're with me  
I'll give you a taste  
Make it like your birthday everyday  
I know you like it sweet  
So you can have your cake  
Give you something good to celebrate

But when you're with me  
I'll give you a taste  
Make it like your birthday everyday  
I know you like it sweet  
So you can have your cake  
Give you something good to celebrate

So make a wish  
I'll make it like your birthday everyday  
I'll be your gift  
Give you something good to celebrate

Happy birthday
