## **Double Rainbow**

You're a one of a one A one of a kind That you only find once in a lifetime Made to fit like a fingerprint A code that clicks open a gold mine

They say one man's trash is another man's treasure When I found you, it was all pitter-patter

Secretly, I hit the lottery 'Cause you're brighter than all of the Northern Lights You speak to me, even in my dreams Wouldn't let you go for even the highest price

They say one man's trash is another girl's treasure So if it's up to me, I'm gonna keep you forever

'Cause I understand you, we see eye to eye Like a double rainbow in the sky And wherever you go, so will I 'Cause a double rainbow is hard to find

Was a phenomenon when you came along Yeah, our chemistry was more than science It was deafening, loud like lightning, it was striking You couldn't deny it

They say one man's trash is another man's treasure The two of us together, make everything glitter

'Cause I understand you, we see eye to eye Like a double rainbow in the sky And wherever you go, so will I 'Cause a double rainbow is hard to find

To the bottom of the sea, I'd go to find you Climb the highest peak to be right beside you Every step I take, I'm keeping you in mind

'Cause I understand you, we see eye to eye Like a double rainbow in the sky And wherever you go, so will I 'Cause a double rainbow is hard to find

It's hard to find, It's hard to find Once in a lifetime Once in a lifetime Once in a lifetime **Katy Perry**
