

Hackensack

Katy Perry

1. I used to know you when you were young
You were in all my dreams
We sat together in period one
Fridays at eight-fifteen
Now I see your face in the strangest places
Movies and magazines
I saw you talking to Christopher Walken
On my TV screen

R: But I will wait for you
As long as I need to,
And if you ever get back to Hackensack
I'll be here for you

2. I used to work in a record store
Now I work for my dad
Scraping the paint of the hardwood floors
The hours are pretty bad
Sometimes I wonder where you are now
Probably in LA
That seems to be where everybody
Else ends up these days

R: And I will wait for you...
