

# Mannequin

Katy Perry

1. How do I get closer to you  
When you keep it all on mute  
How will I know  
The right way to love you  
Usually the queens of figuring out  
Breaking down the man is no work out  
But I have no clue  
How to get through to you.. oh  
I wanna hit you just to see if you cry  
I keep knocking on would hoping there's a real boy inside

R: 'Cuz you're not a man  
You're just a mannequin  
I wish you could feel  
That my love is real  
But you're not a man

2. I wish I could just turn you on  
But a battery in and make you talk  
Even pull a string for you to say anything  
But with you there is no guarantee  
Only expired warranty  
A bunch of broken parts  
But I can't seem to find your heart

\*: Oh.. I'm such a fool  
  
I'm such a fool  
I'm such a fool  
Cause this one's outta my hands  
I can't put you back together again

R1: Cause you're not a man...  
You're just a toy  
Could you ever be a real, real boy  
And understand  
But you're not a man

\*: If the cost is the problem  
My future could solve it baby  
I could bring it life  
If you let me inside baby  
It'll hurt  
But in the end  
You'll be a man

R1: Cause you're not a man...

R: Cause you're not a man...
