

# Part Of Me

Katy Perry

Days like this I want to drive away,  
Pack my bags and watch your shadow fade,  
you chewed me up and spit me out,  
Like I was poison in your mouth,  
You took my light, you drained me down,  
But that was then and this is now, now look at me

This is the part of me, that your never gonna ever take away from me  
(no) (2x)  
Throw your sticks and your stones,  
Throw your bombs and your blows,  
But your not gonna break my soul  
This is the part of me, that your never gonna ever take away from me  
(no)

I just wanna throw my phone away,  
Find out who is really there for me,  
you rip me off, your love was cheap,  
Was always tearing at the seams,  
I fell deep you let me drown,  
But that was then and this is now, now look at me

This is the part of me...

Now look at me I'm sparkilin'  
A firework a dancing flame,  
You wont ever put me out again, I'm glowing (oh woah)  
So you can keep the diamond ring,  
It dont mean nothing anyway,  
In fact you can keep everything (yeah, yeah)  
Except for me

This is the part of me, that your never gonna ever take away from me  
(no) (2x)  
Throw your sticks and your stones,  
Throw your bombs and your blows,  
But your not gonna break my soul  
This is the part of me, that your never gonna ever take away from me  
(no) (2x)

This is the part of me, no  
Away from me  
This is the part of me me me me me me  
No  
Throw your stick and your stones  
Throw your bombs and your blows  
But your not gonna break my soul  
This is the part of me, that your never gonna ever take away from me  
(no)
