

The One That Got Away

Katy Perry

1. Summer after highschool when we first met
We'd make out in your mustang to Radiohead
And on my 18th birthday we got matching tattoos

Used to steal your parents liquor and climb to the roof
Talk about our future like we had a clue
Never planned that one day I'd be losing you

R: In another life, I would be your girl
We'd keep all our promises, be "us" against the world
In another life, I would make you stay
So I don't have to say
You were the one that got away, the one that got away

2. I was June and you were my Johnny Cash
Never one without the other, we made a pact
Sometimes when I miss you, I put those records on (woah-oh)

Someone said you had your tattoo removed
Saw you downtown, singing the blues
It's time to face the music, I'm no longer your muse

R: In another life...

The oooooone, the oooooone, the oooooone, the one that got away

*: All this money can't buy me a time machine nooooo
Can't replace you with a million rings nooooo
I should have told you what you meant to me wo ah oh oh oh
Cause now I pay the price

R: In another life...

The ooone(the oone), the ooone(the oone), the ooone(the oone)

R: In another life, I would make you stay, so I don't have to say,
You were the one that got away, the one that got away
