

Wish You The Worst

Katy Perry

I saw you
At the grocery store
Oh
You both looked happy
Picking out the usual
She's a carbon copy
Of everything you lost
Of everything I'm not
I guess you just forgot
How to pick 'em

If she's the one
I've heard about
I'm disappointed
If she's the reason
Why you left
I'm not impressed at all
Well
This looks like the end
Yeah
We can still be friends
Congratulations

Let me be the first
To wish you the worst
'Cause I think you
Deserve each other
Let me the curse
That creeps
Under your skin
Until your heart
Caves in
And you wish
She was me again

And again
And again
And again

Well, someone had
To tell the truth
and I'm always honest
I read you
Like an open book
And it's obvious to me
She's just
The one between
Heading no where fast
Sure
It's gonna last forever

Let me be the first
to wish you the worst
'Cause I think you
Deserve each other
Let me the curse
That creeps

Under your skin
Until your heart
Caves in
And you wish
She was me

Let me be the first
To wish you the worst
'Cause I think you
Deserve each other
Let me the curse
That creeps
Under your skin
Until your heart
Caves in
And you wish
She was me again

And again
And again
And again

Oh, you wish
You wish
You wish
You do
