## Wish You The Worst

I saw you At the grocery store Oh You both looked happy Picking out the usual She's a carbon copy Of everything you lost Of everything I'm not I guess you just forgot How to pick 'em If she's the one I've heard about I'm disappointed If she's the reason Why you left I'm not impressed at all Well This looks like the end Yeah We can still be friends Congratulations

Let me be the first To wish you the worst 'Cause I think you Deserve each other Let me the curse That creeps Under your skin Until your heart Caves in And you wish She was me again

And again And again And again

Well, someone had To tell the truth and I'm always honest I read you Like an open book And it's obvious to me She's just The one between Heading no where fast Sure It's gonna last forever

Let me be the first to wish you the worst 'Cause I think you Deserve each other Let me the curse That creeps **Katy Perry** 

Under your skin Until your heart Caves in And you wish She was me Let me be the first To wish you the worst 'Cause I think you Deserve each other Let me the curse That creeps Under your skin Until your heart Caves in And you wish She was me again And again And again And again Oh, you wish You wish You wish You do
